FOR IMMEDIATE RELEASE

CAMTEK ANNOUNCES RESULTS FOR THE THIRD QUARTER OF 2023

Revenue of \$80.5 million; Continued growth expected in the fourth quarter and into 2024

MIGDAL HAEMEK, Israel – November 14, 2023 – Camtek Ltd. (NASDAQ: CAMT; TASE: CAMT), announced today its financial results for the third quarter ended September 30, 2023.

Highlights of the Third Quarter of 2023

- Revenue of \$80.5 million; a 9% sequential growth;
- GAAP operating income of \$19.1 million; non-GAAP operating income of \$22.2 million, representing an operating margin of 23.7% and 27.6% respectively;
- GAAP net income of \$22.1 million and non-GAAP net income of \$25.2 million;
- Positive operating cash flow of \$12.4 million; and
- FRT acquisition closed on October 31, 2023.

Forward-Looking Expectations

For the fourth quarter, management expects continued organic growth and, together with the contribution from the FRT business, Camtek's fourth quarter revenue is expected to be at a record of between \$87-89 million.

Management Comment

Rafi Amit, Camtek's CEO commented, "Since the beginning of the third quarter we have received orders for 240 systems including an order announced yesterday for 28 systems from a tier-one customer for the inspection and metrology of High Bandwidth Memory and Heterogeneous Integration applications. Most of the orders are for installation during 2024. This healthy backlog, with additional expected orders in the pipeline, points to a year of growth for Camtek and we expect record revenue in 2024."

Third Quarter 2023 Financial Results

Revenues for the third quarter of 2023 were \$80.5 million, an increase of 9% from the previous quarter and a decrease of 2% compared to the third quarter of 2022.

Gross profit on a GAAP basis in the quarter totaled \$39.0 million (48.5% of revenue), compared to a gross profit of \$39.9 million (48.6% of revenue) in the third quarter of 2022. Gross profit on a non-GAAP basis in the quarter totaled \$39.4 million (49.0% of revenue), compared to \$40.2 million (49.0% of revenue) in the third quarter of 2022.

Operating profit on a GAAP basis in the quarter totaled \$19.1 million (23.7% of revenue), compared to an operating profit of \$20.6 million (25.2% of revenue) in the third quarter of 2022. Operating profit on a non-GAAP basis in the quarter totaled \$22.2 million (27.6% of revenue), compared to \$23.2 million (28.3% of revenue) in the third quarter of 2022.

Net income on a GAAP basis in the quarter totaled \$22.1 million, or \$0.46 per diluted share, compared to net income of \$20.7 million, or \$0.43 per diluted share, in the third quarter of 2022. Net income on a non-GAAP basis in the quarter totaled \$25.2 million, or \$0.52 per diluted share, compared to non-GAAP net income of \$23.3 million, or \$0.48 per diluted share, in the third quarter of 2022.

Cash and cash equivalents, short-term and long-term deposits and marketable securities, as of September 30, 2023 were \$517.1 million compared to \$506.3 million as of June 30, 2023. It is noted that \$100 million was paid out in the fourth quarter following the close of the acquisition of FRT. During the third quarter, Camtek generated \$12.4 million in operating cash flow.

ABOUT CAMTEK LTD.

Camtek is a leading high-end inspection and metrology equipment provider for the semiconductor industry. Camtek's systems inspect IC and measure IC features on wafers in various phases of the production processes of semiconductor devices, from front-end and mid-end and up to the beginning of assembly (Post Dicing). Camtek's systems inspect and measure wafers for some of the most demanding semiconductor market segments, including Advanced Interconnect Packaging, Heterogenous Integration, Memory and HBM, CMOS Image Sensors, Compound Semiconductors, MEMS, and RF, serving numerous industry's leading global IDMs, OSATs, and foundries.

With manufacturing facilities in Israel and Germany, and eight offices around the world, Camtek provides state of the art solutions in line with customers' requirements.

This press release is available at www.camtek.com

This press release contains statements that may constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements are based on the current beliefs, expectations and assumptions of Camtek Ltd. ("we," "us" and "our"). Forward-looking statements include our expected revenue for fourth quarter and full year 2023 and can be identified by the use of words including "believe," "anticipate," "should," "intend," "plan," "will," "may," "expect," "estimate," "project," "positioned," "strategy," and similar expressions that are intended to identify forward-looking statements, although not all forward-looking statements contain these identifying words. These forward-looking statements involve known and unknown risks and uncertainties that may cause the actual results, performance or achievements of Camtek to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Our actual results and performance could differ materially from those projected in the forward-looking statements as a result of many factors, including the effect of the evolving nature of the recent war in Gaza between Israel and the Hamas; the impact of war in Ukraine, rising inflation, rising interest rates, volatile exchange rates and commodities' prices, ; our dependency upon the semiconductor industry and the risk that unfavorable economic conditions or low capital expenditures may negatively impact our operating results; anticipated trends and impacts related to industry component and substrate shortages and other supply chain challenges; the future purchase, use, and availability of components supplied by third parties; impurities and other disruptions to our customers' operations, which could lower production yields or interrupt manufacturing, and could result in the cancellation or delay of purchase of our products; formal or informal imposition by countries of new or revised export and/or import and doing-business regulations or sanctions, including but not limited to changes in U.S. trade policies, changes or uncertainty related to the U.S. government entity list and changes in the ability to sell products incorporating U.S originated technology, which can be made without prior notice, and our ability to effectively address such global trade issues and changes; the risks relating to the concentration of a significant portion of our business in certain countries in the Asia Pacific Region, particularly China (which is our largest territory), Taiwan and Korea, some of which might be subject to the trade restrictions referred to above or involved in trade wars with countries which might impose such trade restrictions; changing industry and market trends; reduced demand for our products; and those other factors discussed in our Annual Report on Form 20-F and other documents filed by the Company with the SEC as well as other documents that may be subsequently filed by Camtek from time to time with the SEC.

While we believe that we have a reasonable basis for each forward-looking statement contained in this press release, we caution you that these statements are based on a combination of facts and factors currently known by us and our projections of the future, about which we cannot be certain. In addition, any forward-looking statements represent Camtek's views only as of the date of this press release and should not be relied upon as representing its views as of any subsequent date. Camtek does not assume any obligation to update any forward-looking statements unless required by law.

This press release provides financial measures that exclude share based compensation expenses and are therefore not calculated in accordance with generally accepted accounting principles (GAAP). Management believes that these non-GAAP financial measures provide meaningful supplemental information regarding our performance. The presentation of this non-GAAP financial information is not intended to be considered in isolation or as a substitute for the financial information prepared and presented in accordance with GAAP. Management uses both GAAP and non-GAAP measures when evaluating the business internally and therefore felt it is important to make these non-GAAP adjustments available to investors. A reconciliation between the GAAP and non-GAAP results appears in the tables at the end of this press release.
